

## MULTI PURPOSE FOAM / SOAP DISPENSER

### Features

- Multi purpose dispenser can be used with foam as well as lotion pump with Display Window.
- Compact and durable unit design with sleek, subtle curves that provide clean and smooth surfaces and continuous cover to minimize dirt collection at seams.
- Anti-theft locking mechanism protects the refills in the dispenser with user friendly locking system which make the dispenser easy to open and close without any hindrance.
- Available with optimised output push bar, which gives cost effective shots.
- One handed push operation is ADA compliant.
