

Commercial Dry Vacuum Cleaner - PPT 390A

Innovative trolley-style vacuum with AutoSave technology. The PPT 390A vacuum provides ease of handling and the total convenience of lift off storage for all the cleaning essentials. Using the optional extra caddy (red, blue, green or yellow) the PPT can accommodate even more storage.

Equipped with AutoSave the PPT 390A provides powerful cleaning and up to 50% energy savings. Now with the unique plugged cable rewind system, allowing simple cable replacement if needed.

Hepaflo filtration not only raises performance standards but provides for clean and convenient emptying when full.
