

Backpack Vaccum Cleaner - RSV 130

Ruc Sac Vac brings with it great advances in convenience cleaning, producing vastly improved results by virtue of the old adage "the right machine for the right job". Particular attention has been paid to user comfort, convenience and safety with an ergonomically designed, comfortable harness system; lighter weight and lower noise levels.

The RSV's performance is excellent, with the extra large filter system and the HepaFlo dust bags ensuring continuous operation and clean and easy emptying. The standard accessory kit incorporates all that is needed for quick and efficient cleaning of all surfaces.
