

RSV150

Compact, comfortable and convenient, the RSV150 goes wherever you go, making it the perfect cleaning solution for tight and awkward cleaning.

Providing an extra-long 15m cable and generous 5L dust capacity, there's less stopping to unplug and empty and more time to get the job done. Easily switch between carpets and hard-floors with the high-performance Combi Floor Tool and tackle hard-to-reach areas with the precision cleaning kit.

Ergonomically designed with easy-adjust, posture-correcting harness, breathable mesh panel, handy tool storage and simple, integrated hand control, the RSV150 provides optimum user-comfort, ensuring less stretching, bending down, twisting and full control at all times.

A tool for every job, always on hand and packs neatly away, with professional and versatile AS30E accessory kit.

- **Complete Convenience**

Compact, comfortable and convenient design for tight and awkward cleaning.

- **Quicker Cleaning**

Generous 5L capacity and extra-long 15m cable allow for less stopping to unplug and empty.

- **Ultimate User Comfort**

Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

- **Total Control**

Integrated hand control and handy tool storage for quick access on the move.

- **A Tool For Every Job**

Professional and versatile AA30E accessory kit and aluminium tube set
