

## Mini Ride On Scrubber Drier - CRO 7056

PU anti slip wheels

Storage Box

Seat with pressure detection system

CRO 7056 is a mini ride on scrubber drier, specially designed to replace walk behind scrubber driers. The machine is very compact and can be used in the most congested areas and the narrow passages with super silent working – it makes the machine smart and efficient. It is equipped with storage compartment for cleaning tools.

### Advantages

- 3 X more productivity than walk-behind scrubbers. Saves on Man power.
- Compact smart design, user friendly.
- Super Silent – Eco Mode system.
- Large tanks: 70L, perfect suction performance.
- Intelligent water sensor system, ensure maximum protection for brushes and vacuum system.
- Rear-wheel drive, climbing capacity reaches to 20% while turning radius 0.8 Meter.
- Connect and disconnect brushes automatically, easy to maintain.

## HOURLY PERFORMANCE

3920 M<sup>2</sup>/H
