Simple to Use Operator Handle

Rugged Stainless Steel Chassis

Easy Tank-Filling Access

Over Fill Control Trash Filter

Quick Charge Gel Battery Pack

The TwinTec 1840 G mains cable/battery has been engineered to substantially reduce size whilst, at the same time, maximise performance and handling. 1840 series allows hard floor maintenance in areas previously cleaned by mopping systems. With its low noise level and unobtrusive appearance these machines will find itself fully at home in many, if not all, commercial environments be it hospitals, clinics, restaurants, cafeterias, offices, bank and hotel lobbies, etc.

Wherever there's a need for a simple, user friendly, one-pass cleaning machine the 1840 will be sure to match, or exceed, your expectations. With the total freedom of 24V battery, cable free, operation, TTB 1840 G machine will get into areas and places that other machines simply will not go. It comes fitted as standard with our suitcase style 18 amp sealed gel battery pack. An optional second battery will allow extended performance, up to 1.5 hours.
