

Twintec Cable Scrubber Drier - ET 4045

Simple to Use Operator Handle

Easy Tank-Filling Access

Folding Handle

Brush in Transit Mode

Structo foam squeeze

The ET4045 brings two cost saving specification changes when compared with the TT premium model, these are a Nutex epoxy powder coated chassis in place of stainless steel and a Structofoam floor tool in place of aluminium. Other than these two changes the balance of the hardworking specification remains unchanged.

Features

- Nutex epoxy powder coated chassis.
- Deck tilt system making brush changes quick and simple.
- 40 litre clean and dirty water heavy duty polyform tanks.
