

## Industrial Wet & Dry Vacuum Cleaner - WVD 900-2

The professional WVD 900-2 embodies in a single machine 15 years experience in supplying the commercial market from one corner of the globe to the other.

The standard 900 series in design, construction and performance is simply something that must be experienced to be believed. The full Structofoam construction alone sets it apart from all the others, but couple this to the unique multipurpose tipper system for emptying, and you have a truly simple machine that could be used anywhere by anybody and emptied quickly and easily, be it in floor drain or WC.

The power and performance to the full Twinflo' specification is exceptional and there is a choice of one or two-motored models, both of which include the Nucable replaceable cable system as standard.

The 38mm (1 1/2") accessory kit compliments the machine in everyway with long hoses, stainless steel tube sets and both wet and dry Structofoam 400 mm (16") floor nozzles, everything necessary is supplied for both wet and dry operation.

Accessories
