

Charnock Hand Scrubber – CHS 600

Lightweight yet robust, the charnock Hand held Scrubber is a portable machine meant for quick cleaning. With easy and simple controls, these mini scrubbers are highly maneuverable and come handy to clean difficult to access and hard to reach areas. Ideal for cleaning staircases, columns, bathroom tiles and walls, vanity counters and under the tables and other tight spaces. This is an ideal choice for regular maintenance of multiple floor surfaces.
