

## X - Type Garbage Collector Trolley – C 77

Sorting waste is the most crucial step towards effective waste management. Charnock Garbage collector trolley is equipped with wheels, and can be moved around easily to pick up and transfer garbage to the designated sorting facilities. The detachable waste bag is washable ensuring hygiene can be maintained at all times. The garbage trolley is ideal to be used in hotels, malls, food courts, restaurants, trains, ferry boats, ships, schools and universities.
