

## High Pressure Cleaner – CHW 150

Trigger Gun

These High-Pressure Cleaners are highly specialized multifunctional machines with exceptionally reliable safety assurance. These High Pressure Cleaners are suitable for cleaning and washing big warehouses, supermarkets, malls, farmhouses, golf courses, hotels, hospitals, swimming pools, cars etc.

All machines come with features such as nickel plated pistons, stainless steel boiler, safety valve and total stop.

Standard accessories include appropriate size of hoses, spray lances, nozzle and trigger guns.

### Features:

- 4 poles electrical motor (1450 RPM) with thermal protection and water cooling.
- Three ceramic coated pistons.
- Built-in by-pass valve nickel plating brass linear pump head with high temperature water seals and bushing.
- Low voltage and delayed total stop.
- Suction and delivery S.S valves.
- Vertical burner with high thermal efficiency steel coil.
- Temperature regulation gauge with high sensitive stainless steel sensor.
- Detergent built-in tank (4,2 lt) for indirect suction.
- Auxiliary motor for burner.
- Heavy duty steel frame.
- Hose reel with brake (optional).

Simple to use Operator Handle
