

## Acrylic Hand Brush Duster – HBD

Duster with fluffy fibres fit in tight spaces and the generous head covers a large surface with every swipe. Shake vigorously to dislodge accumulated dust and debris. Use the Duster to clean furniture, electronics, ceiling fans and other surfaces. It's soft filaments hold dust and dirt particles instead of spreading them around.

- Fluffy fiber head grabs and traps dust.
- Generously sized duster head and elongated handle for extra reach.
- Easily maneuverable in tight spaces.
- Soft, comfortable and non-slip grip.
