

## Lo Line Scrubber – NLL 332

Slim Folder Profile

Powerful Motor

Unique Folding System

Front Support Wheel

The Lo Line NLL 332 Floor care machines has been developed to meet both the growing demand and need for a choice of models that are smaller in size, lighter in weight, compact and convenient in storage whilst, at the same time, being quick and easy to use without loss of performance.

The new Lo Line rotaries have been designed specially to meet this demand and raise the handling and performance levels to an exceptional user friendly standard, be it for men or women operators.

The smallest model in the Lo Line range can claim performance characteristics equal to that of bigger, more industrial machines, yet with an ease and speed of operation that will immediately endear it to any operator.

Scrubber of 33 cm (13") brushes and pad drives allows the machine to be used for all of the primary floorcare functions. With a total weight of only 18 kg and an operating speed of 200 rpm, the machine literally exudes convenience and versatility. Fast and user friendly like never before.
