

Commercial Dry Vacuum Cleaner – PPT 390 A

Standard Accessories

Innovative trolley-style vacuum. The PPT 390 vacuum provides ease of handling and the total convenience of lift off storage for all the cleaning essentials. Using the optional extra caddy (red, blue, green or yellow) the PPT can accommodate even more storage. Now with the unique plugged cable rewind system, allowing simple cable replacement if needed. HepaFlo filtration not only raises performance standards but provides for clean and convenient emptying.

Features:

- AutoSave energy saving technology.
- HepaFlo filtration.
- Plugged cable rewind.
- Wand docking.
- Complete with single red caddy and full accessory Kit A1.
