

Servo Clean Trolley – SCG 1415

Kit SGA2

Twin 6 Ltrs Pails in Half Tray

Universal Dual Waste Systems as Standard

All Mop Wringer Press

The SCG 1415 remains very compact yet has the added important feature of very useful additional storage space for all those extra cleaning materials so often required.

The standard specification comprises, twin half trays and two 6 Ltrs pails, 120 Ltrs Waste Capacity - Fully lidded providing excellent capacity for normal waste collection and disposal.

The heavy duty Structofoam base is strong and resistant to scratches and dents.

The 1415 incorporates our all mops press, which can be used with both Kentucky or Flat mops, together with generous twin 17 Ltrs colour coded pails. The 1415 offers greater onboard storage for the cleaning essentials and is compatible with 7 additional kits providing the right mop for the right cleaning task.

- 120 Ltrs Waste Capacity – Fully lidded providing excellent capacity for normal waste collection and disposal. Folds down for compact storage.
- Choice of Mop Kits – Compatible with 7 additional kits, providing the right mop for the right cleaning task.
- Structofoam Construction – The heavy duty Structofoam base is strong and resistant to scratches and dents.
- Shelf Storage – Store a wide variety of cleaning items.
