

## SLALOM - Compact, Agile and Strong

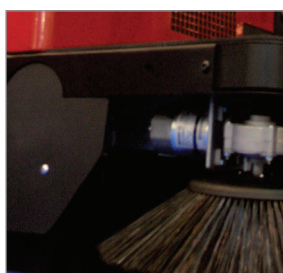

Simple to Use  
Operator Handle

On-Board Battery Changer

Batteries

Carpet Kit

SLALOM is the small ride-on sweeper designed for cleaning particularly awkward areas with narrow passages with agility. It's compact dimensions allow it to pass through doors and lifts of just 80 cm width. With the optional carpet kit, Slalom can brush carpet surfaces quickly. It is cheap to buy and maintain, but does not impose limits for use. Thanks to its strong and reliable construction.

### Technical Specification

### HOURLY PERFORMANCE

	6050 M <sup>2</sup> /H		300 M <sup>2</sup> /H
