

Twintec Battery Scrubber Drier – TTB 1840 G

The TwinTec 1840 G mains battery operated machine has been engineered to substantially reduce size whilst, at the same time, maximise performance and handling. 1840 series allows hard floor maintenance in areas previously cleaned by mopping systems. With its low noise level and unobtrusive appearance these machines will find itself fully at home in many, if not all, commercial environments be it hospitals, clinics, restaurants, cafeterias, offices, bank and hotel lobbies, etc.
