

Elite - Silent

Dirty Water Tank

Fresh Water Tank

Roller Brush

Non Marking Castors

Elite-Silent is a self-contained extractor for carpet and hard floor with manual traction. It washes, brushes and dries a stripe of 50 cm of carpet, moving forward, cleaning up to 500 sq. meters in one hour. It's 3 stage high-waterlift vacuum system allows to recover the maximum quantity of dirt from carpet and to get a shortest drying time.

Elite-Silent is a very silent machine, since it works with 60 Decibels only. It is possible to adjust the brush and vacuum head pressure, according to the type of carpet. The water flow can be regulated, for a maintenance low-moisture cleaning or a restoration deep cleaning.

Advantages of Elite-Silent:

- It is possible to clean up to 500 sq meters in one hour, thanks to the working forward system of the machine.
- Possibility to clean both carpet and hard floor with a single machine by using the optional squeegee SQ720E. The squeegee is connected to the machine thanks to a quick disconnect coupling and does not require to use any tool.
- Very silent working (60 decibels), that allows to use the machine with no discomfort for the worker and for other people. The machine can be used also during normal daily working time and in places sensitive to noise such as hotels, offices, banks.
- The 3 stages high waterlift vacuum motor allows an excellent suction and therefore a very short drying time.
- The machine moves forward without effort, thanks to the propelling action of the rotating brush.
- The spring vacuum head allows the best suction also in case of uneven floor.
- The motor of the rotating brush is powerful and reliable and allows a very deep cleaning.
- Possibility to adjust the height of the rotating brush according to the kind of carpet or floor and also according to the dirt degree.
- Brush motor with thermal protection against overload (useful in case of a wrong regulation of the brush height).
- With the optional vacuum tool NS270TURBODUST, it is possible to vacuum dust before cleaning, with the same machine.
