

## Powertec – 30

Dirty Water Tank

Spray Lance with Nozzle

Suction Hose

Non Marking Castors

Powertec 30 is a machine for cleaning and sanitizing small and middle-sized restrooms, in areas open to public. It combines spraying of chemical solution, rinsing and vacuuming. With Powertec30 restrooms can be completely cleaned, sanitized and left perfumed and dry in a short time, making the cleaning operations more pleasant and effective as well. Using the machine is immediate and does not require any training for the operator. Small and light, it can be easily stored or carried from place to place.

The cleaning process is carried out through four stages:

- Spraying of chemical solution on all the surfaces to be cleaned.
- Chemical action.
- Rinsing with clean water (walls, sanitary fixtures).
- Vacuuming of residual water showers and panes from floor.

Places where Powertec 30 can be used: Powertec 30 can be used in many places:

- Restaurants, fast-foods, pubs, discotheques, motorways cafés.
- Offices, factories.
- Shopping centres, exhibition halls.
- Cinemas, theatres, stadiums, arenas.
- Nursing homes, hospitals.
- City public WC, public showers, barracks.
- Ferries, cruise ships, airports, railways stations.
- Fitness centres, swimming pools, saunas, spas, hotels.
- Portable restrooms.
- Any other restroom open to public.
- Schools, universities.
