

Single Disc Machine – C 13

Folding Adjustable Handle

1 H.P. Motor

Large Solution Tank

Designed specially for aggressive deep cleaning with ultrahigh speed, the Charnock single-disc scrubber C 13 offers multipurpose usage for all types of hard floors and cleaning jobs, for scrubbing, buffing and carpet cleaning.

Maintenance-free single phase - a synchronous motor gives long life and reduces costs. Ideal for floor stripping and spray cleaning in hotels, hospitals, industrial shop floors, workshops, etc.

Unique in handle adjustment, suitable for any user. All functions are controlled from the operator handle with an in-built safety grip for easy maneuverability. The low offset motor gives the optimal performance.
