

High Pressure Jet – CCW 3200

Pump Filter

Manual & Auto Switch

10 Meter Hose

Transit Wheel

The Charnock CCW 3200 High-Pressure Cleaner is highly specialized multifunctional machines with exceptionally reliable safety assurance. Our High pressure is engineered to deliver superior cleaning through controlled water pressure and flow. Designed with robust pumps, durable components and energy efficient motors, the machine ensures consistent performance for both light duty and heavy-duty applications. The CCW 3200 High Pressure Cleaner is suitable for cleaning and washing big warehouses, supermarkets, malls, farmhouses, golf courses, hotels, hospitals, swimming pools, cars etc.

Standard accessories include appropriate size of hoses, spray lances, nozzle and trigger guns.

Features:

- The pump filter protects the pump motor and other internal components from damage caused by dirt, sand, or other particles. This helps the pump last longer and reduces the likelihood of malfunctions.
- Easy assembly enhances user experience.
- Ensures secure and efficient transmission of high pressure water through accurate connections.
- Manual and auto switch provides ease of use.
- Water filter prevents dirty particles from water source.
- 10 meters long and Durable hose.
- The design feature speeds up the process and provide ease of use.

Technical Specification

Model No.	Power	Motor Power	RPM	Pressure	
CCW 3200	380 V - 50 Hz	5500 W	1450	200 Bar	
Hose Length	Water Delivery Rate	Max. Water Inlet Outlet Temp.	Power Cable	Weight	Dimensions (L x W x H)
10 Mtrs	900 Ltrs/h	40°C	5 Mtrs	75 Kgs	700 x 450 x 960 mm
