

Escalator Cleaner - Wet & Dry – CEWD 51

Ergonomic Handle

Dual Counter Rotating
Roller Brushes

Easy Access to
Dirty Water Tank

Large Transit Wheels

The Charnock **CEWD 51** Escalator Cleaning Machine, cleans all escalators quickly, easily and economically.

Dry Vacuum Cleaning mode picks up excess dirt. Wet low moisture deep scrubbing mode cleans escalator and moving walkways. The long brushes penetrate to the base of the escalator floor leaving your escalator dry sparkling clean.

The machine is extremely easy to transport between storage and escalators.
