

## Ride-on Scrubber Drier – CRO 2810

Seat with Pressure Detector

Warning Alarm

Wet Pick-up Squeeze

Anti-Slip Wheels

When large spaces demand uncompromising cleanliness, the **CRO 2810** big-size scrubber drier delivers. Designed for maximum performance and efficiency, this powerful machine is built to tackle extensive floor areas in warehouses, malls, airports, factories, and commercial complexes with ease.

With a wide cleaning path, high-capacity fresh and dirty water tanks, and advanced scrubbing technology, it ensures deep cleaning in a single pass—saving time, labor, and resources. Its robust design handles the toughest grime, while intuitive controls and ergonomic features make it easy and safe to operate.

Whether it's heavy foot traffic, industrial buildup, or daily maintenance, the big-size scrubber drier brings productivity, power, and precision to your cleaning operations.

Clean Bigger. Clean Better. Clean Smarter

### Features:

- Extra-wide cleaning path for faster coverage
- Large water and recovery tanks of 250 Ltrs + 280 Ltrs for extended operation
- High-efficiency suction system for quick drying and slip-free surfaces
- Durable construction built for demanding environments
- User-friendly interface with ergonomic design for operator comfort

### Technical Specification

**HOURLY PERFORMANCE**  **7000 M<sup>2</sup>/H**
