

Twintec Cable Scrubber Drier – TT 4045 G

Simple to Use
Operator Handle

Easy Tank-Filling Access

Folding Handle

Brush in Transit Mode

The TT 4045 G is based on a full Structofoam chassis and packed with truly meaningful, innovative features that have been developed by years of experience. The combination of stainless steel, Structofoam and polyform tanks ensures durability.

The superstructure comprises 40 litre clean and dirty water heavy duty polyform tanks designed to provide a truly robust structure. The motor and power transmission is well and truly oversized and complimented in every way by our high performance Twinflo' vacuum collection system and full floating polyurethane semi-parabolic floor nozzle. Full 40 liter capacity with a heavy duty 450 mm scrubbing head which will leave you with clean and dry floors even in the most arduous of applications.

The patented folding power head systems allows for both easy storage, brush changing and movement when not in use.

Features:

- TwinFlo Vacuum Motor - Provides exceptional wet pick-up.
- Structofoam Tilting Brush Deck - Making brush changes quick and simple.
- Planetary Gearbox - Longlife, oil filled, low load gearbox.
- Simple Control - Simple on / off trigger controls.
- Polyform Tanks - Heavy duty clean and dirty water tanks.
- Flexifill System - Easy filling and emptying system.
- Structofoam Chassis - Incredibly tough and chemical resistant stuctofoam moulded chassis.

Technical Specification

HOURLY PERFORMANCE

1800 M²/H

Model No.	Voltage	Brush Motor Power	Vac Motor Power	Brush Width	Pad Size
